Dear State Public Information Officer,
Under the RTI Act, 2005, Section 6, I request to provide information about joining and academic qualification of assistant professors in your college. Information is requested in greater public interest which is undeniable under Section 11 and nothing to do with his/her personal affairs. The RTI Act 2005 says 'the information which cannot be denied to the Parliament or a State Legislature, shall not be denied to any person' under Section 8(1)(j); if the requested information is undeniable to Mamata Banerjee, CM of West Bengal or Bratya Basu, Education minister of WB or Paschimbanga Bidhansabha, SPIO/college authority cannot deny information to me. I have every right to know the qualification of a public servant whose salary is paid by the tax payer's money. Hon'ble Justice Subrata Talukdar & Hon'ble Justice Kesang Doma Bhutia of High Court of Calcutta mentioned that "the preamble of the RTI Act is its soul clearly spelling out the aims and objectives of the Act to provide a practical regime of the right to citizens to secure access to information under the control of public authorities in order to promote transparency and accountability in the working of every public authority" (MAT 711 of 2021; WBCSC vs. Binay Krishna Pal on 15.11.2021). Appointment of assistant professor is related with public interest under WBCSC Advt.1/2020; Hon'ble Supreme Court directed that when public interest or public activity exists, private /third party /administrative interest is inapplicable. If SPIO/Principal denied requested information, the college authority might come under purview of petition filed at Hon'ble Calcutta High Court against the malpractices and corruption of WBCSC Advt. 1/2020 recruitment process.

Once again, I request you to please provide the following information under section 2(f) and 2(j) of the RTI Act, 2005 and to safeguard public interest.
